## From the Missionary

Last July, the Cumberland Baptist Association voted to participate in the "Across Tennessee" outreach experience. From its inception, churches and her leaders were committed and excited about the possibilities of what God could do through this endeavor. Both Wally and I **Dennis Pulley** are grateful for your commitment to taking a gospel presentation to the homes and households you were assigned.

I cannot begin to tell you of the many wonderful stories which people have shared with us from the field of individuals whose lives have been touched. One of the real joys of being your associational missionary at this time is the privilege of listening to what God is doing as a result of this ministry.

People have shared with us how some folks have responded immediately by accepting Christ. One church told us of a 74 year old man who was saved in his home as a result of a visit from a team from their church. Others have reported how several have visited their worship services the Sunday following the distribution of these packets with a gospel presentation.

Numerous people have commented about the bill boards which we purchased at various locations in our city. Strategically placed, they have communicated the message of peace, love, joy, and hope. My prayer is that some lost people will see this message and respond by asking Christ into their lives.

Another result of this effort is the spirit of cooperation among our churches. About 40 of our churches worked together to take a gospel presentation to thousands of households in our association. This beautiful spirit of cooperation is what defines a Baptist association.

The many people who went door to door in this spiritual endeavor found that their lives were changed. Hopefully, the committed people of our churches who were engaged in this ministry will be motivated to continue getting into the community and having a presence for Christ there. Some of our churches experienced a culture change within and will continue to make an impact for Christ throughout their area.

May God bless each of you and may you springboard forward into the fields which are white unto harvest with the love of Christ for those who need it.

Your Partner in the Harvest,

*Dennis Pulley*
