January 30, 2012

FBC WOODLAWN

Meal 6:30 p.m.
Meeting 7:15 p.m.
Please plan to bring a covered dish

From the Associate

As you know, for the past three summers, the Cumberland Baptist Association has hosted World Changers. This summer, the World Changers will once again be coming to Clarksville July 16-20, 2012. We are expecting 100 plus teens and adults for that week. Typical projects include replacing roofs, building handicapped ramps, rebuilding porches and/or steps, painting, and more. We anticipate having 8 to 9 crews, with each crew assigned to a worksite during this project.

This year, unlike years previous, we are asking our churches to identify and sponsor a home in their area. It could be a member of your church or non-member. We have had a partnership with the City of Clarksville's Department of Housing and Community Development. They have provided the funds to purchase materials along with qualified houses for us to work on during the week. The limitation with this approach has been the money we received from the city had to be spent within city limits. This year we have decided to go in a different direction. We are asking, you as a church, to sponsor a home by identifying homes for us to provide this ministry and to help cover the cost of materials used on rehabilitating that home. One advantage to this approach is that rural churches who have partnered with World Changers in the past would have a World Changers presence in their community. Rural churches, while vital to the effective operation of World Changers, saw no immediate impact in the community in which they live and minister. This year's approach allows more flexibility in where and how we determine sites for World Changers.

The average site cost for the past three years has been \$2000.00 a home. To help defer the cost to an individual church, the Cumberland Baptist Association has set aside money to be used to help purchase materials for the home. Churches sponsoring a home for the World Changers project would be eligible for up to \$1000.00 for materials. The church may apply for funds through the Evangelism and Missions Team of the CBA. A funding request form can be found on our website, www.cumberlandba.org.

We need to know: the homeowner's name, address, and phone number. The homes selected must be owned by the family. We are not permitted to work on rental houses. We would like to have all the sites in place by the end of April. If you would like to be a part of the World Changers project in this way, please phone Wally Vinson at the Cumberland Baptist Association as soon as possible 931.358.9036.

Thank you in advance for considering to be a part of this ministry in this way. May God richly bless you and your church.

Wally Vinson

Churches Without Pastors

WILLOW BEND • GREATER HOPE • CLARKSVILLE FIRST
